

Welcome to the CME & Evaluation Center

Thank you for attending the 2021 SIRS Congress!

Here you will find information on completing the conference evaluation as well as obtaining CME credits or a certificate of attendance. You can also find the information regarding the number of credit hours available for each session.

Evaluation

We encourage every attendee to complete the Annual Meeting Evaluation. Your feedback not only helps us understand if the recent program met your needs and expectations, but also helps with planning for future meetings.

Attendees wishing to request CE credits or a Certificate of Attendance (which can be used to secure CE credits from your accrediting body), must first complete the meeting evaluation.

Accessing the Evaluation:

The evaluation is anonymous and therefore cannot be accessed when the attendee is logged into their account. If you can see the conference hall, you are logged in and will need to click on your profile button in the bottom left corner and select **logout before clicking the evaluation link**. Logout, and then [click here](#).

Continuing Education Credits & Certificate of Attendance

There is a \$50.00 charge to apply for CME credits. There is no charge to request a certificate of attendance. Once you have completed the evaluation, you will be asked if you would like to apply for CE credits or a certificate of attendance. Select 'Apply for Hours' and it will direct you to login and attest the sessions you attended. Once complete, your certificate will be emailed to you immediately. Additional information regarding CEs is below.

**The deadline to complete the evaluation and
request a certificate is 20, May 2021**

Continuing Medical Education Credits

Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and Schizophrenia International Research Society. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Satisfactory Completion

Learners must complete an evaluation form to receive a certificate of completion. Your chosen sessions must be attended in their entirety. Partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Physicians (ACCME)

Credit Designation Statement – Amedco LLC designates this live and recorded combination activity and for a maximum of 103.25 AMA PRA Category 1 Credits™.

Physicians should claim only the credit commensurate with the extent of their participation in the activity. Because some sessions are live virtual and some recorded, you can only claim credit for any given session on time.
